14.04.26	TUE	Tamil New Year

## **GUIDELINES TO THE PARENTS / GUARDIANS**

We believe that a child's growth and development are most successful when supported equally at home and at school. Your encouragement, presence, and guidance can help transform your child into a confident, responsible individual. We kindly request your attention to the following points so that we may work together in the best interest of your ward.

### **PUNCTUALITY:**

- We encourage you to help your child attend all classes and assessments regularly.  
Every day matters.
- Kindly ensure your child joins school promptly after vacations or term breaks.
- Attending Parent-Teacher Meetings regularly enables you to stay updated on your child's progress.
- Please help your child arrive on time every day. Even a small delay can cause them stress or embarrassment.
- We request that children not be taken out of school during working hours unless absolutely necessary.

### **RESPONSIBILITY**

- We appreciate it when parents maintain open communication with teachers, not only about academics but also about your child's personal growth, behaviour, and well-being.
- Please stay informed of your child's progress and share thoughts or concerns during discussions with teachers.
- We encourage students to take responsibility for their homework. Your support is valuable, but independent effort is important.
- If your child is unwell, kindly let them rest at home until fully recovered.
- Expensive items like gadgets, cameras, and jewellery are best left at home to avoid loss or distraction.
- Please ensure that your child's belongings are clearly labeled with their name, class, and section.
- Teach your child the value of neatness and self-care — it fosters confidence and responsibility.
- Kindly help your child come in clean, complete, and proper uniform every day.
- A standard dress code helps maintain respect and decorum. Please avoid sending your child in nightwear or casual attire when visiting school.
- We request your presence and support during school events — your involvement means a lot to your child.

### **SAFETY OF YOUR CHILD:**

- For safety reasons, students are not allowed to leave school during working hours. Kindly avoid scheduling appointments during class time.
- Please inform the school in advance about any change in your child's mode of transport.
- For younger students, especially in Pre-Primary to Grade V, we request parents to receive them personally at the bus stop.
- For everyone's safety, please do not board the school buses or enter school vehicles.
- Avoid crowding around buses during pickup and drop-off times, especially near the boarding points.
- In case of any issue related to transport, we request you to report the concern to the school office instead of engaging with the driver or helper.

## **COMMUNICATION AND ATTENDANCE :**

- For permissions, leave requests, or queries, we kindly request all communication be made in writing through the class teacher.
- Please check your child's diary daily and sign it to stay informed about lessons, homework, and school activities.
- We appreciate your involvement in reviewing and acknowledging diary entries.
- Communication to the school should go through the Class Teacher to the Principal for clarity.
- You are always welcome to meet teachers between 4:10 p.m. and 4:30 p.m. for discussions.
- If your address or contact number changes, please update the school office immediately.
- If your child is absent due to illness or an emergency, please send a leave letter the following day.
- Leave letters for day scholars should be signed by a parent or guardian; for boarders, by dorm parents.
- Kindly submit a fitness certificate when your child returns to school after being unwell.

## **BIRTHDAY CELEBRATIONS**

- We believe birthdays are special and offer beautiful moments to teach kindness and thoughtfulness.
- Instead of toffees or gifts, **we encourage your child to donate a book to the library or plant a sapling — a gesture that grows with time.**

## **TIPS TO HELP YOUR CHILD BECOME MORE DISCIPLINED**

- Monitor your child's use of language and behavior at home. If you notice concerns, please reach out — working together with teachers can make a great difference.
- Avoid criticizing the school or teachers in front of your child, as it may affect their respect and attitude toward learning.
- Encourage your child to respect elders, peers, and teachers — it builds strong character.
- Please avoid entering classrooms during working hours, as it may disrupt the flow of lessons and distract students.

# CALENDAR 2025 - 26
